COVID-19 SPECIAL SERVICES

For your safety, masks must be worn in all circulation areas (changing rooms, reception, corridors and lounges).

Disinfection points with hydro-alcoholic gel are placed all along your route.

In the relaxation areas, disposable sheets are provided and the seats are regularly disinfected.

Regular disinfection of the cabins, showers and changing rooms is carried out throughout the day.

The water is checked several times a day and the chlorine level can be increased according to the recommendations made by the Regional Safety Agency.

We limit the number of people in the spa at the same time, so we strongly advise you to book online beforehand.

Social distances must be respected.

The different experiences are limited in the number of people at the same time in the same place. (e.g. sauna people from the same household)

Wearing a mask during massages is mandatory for both beauty therapists and clients.

Some treatments may be temporarily suspended according to announced government guidelines, such as facials or massages lasting more than 50 minutes.

Refusal to wear the mask will result in the cancellation of the treatment.

Anyone showing symptoms must report it and may be refused access to the spa.

In case of contact with infected persons from the establishment to the clients and vice versa. It is everyone's duty to inform those present promptly in order to limit the spread of the virus.

All these measures can change according to the recommendations of the health authorities. At any time, the management has the right to close certain areas to guarantee safety for all.

ELECTRIC SNOWMOBILES

©Edwige Cousseau

COVID-19 SPECIAL SERVICES

Your safety will always remain our priority, so that leisure always rhymes with pleasure, here are the details of the measures implemented at our flying school, Mountain E-Park, Les Gets (74):

These measures evolve according to the recommendations and obligations of the government and the FFM (French Motorcycling Federation).

The usual barrier gestures: You will have disinfectant gel on site, and a welcome protocol to respect social distancing. Please respect the timetables indicated at registration, to limit the number of people on our school. You will be strictly forbidden to enter the premises.

Participant and accompanying person: The participant comes with a restricted entourage to limit the number of people on site. Do not hesitate to bring your small foldable seat or other to put yourself at a distance and watch the course.

On-line booking / payment: Send back the

registration form by email or directly via our website (if possible) to avoid filling it in on the spot, if this is the case bring your pencil. Pay by credit card on the website as usual if you encounter a problem or if you register on the spot, bring your credit card or extra change for the payment.

Protective equipment: If you have a helmet and gloves, we ask you to come with them. If you don't have any protective equipment, we will provide you with all the necessary material for the activity.

All our helmets and knee pads are disinfected after each use. Our gloves are washed after each use. We also supply protective head cap and plastic gloves.

The loan of motorbikes for the pilots is possible in the respect of the Technical and Safety Rules. The disinfection of the vehicle's control station will be carried out between each user.

Other: Our table/benches areas will be strictly reserved for the riders and not for the accompanying persons. Provide water + snacks, as it will be much more complicated for us to distribute them as usual.

Mechanical Music Museum

The museum doubled its exhibition space in 2013 and the scenography was completely revisited in 2017 and new pieces are on display this year. Come (re)discover the rooms of the Museum of Mechanical Music ! 🎵 From 4 years old
