COVID-19 SPECIAL SERVICES

Wearing a mask is mandatory in all traffic areas (vestiary, reception, corridors and lounges)

Hydro-alcoholic gel disinfection points are placed along your route

In the relaxation areas disposable sheets are made available to you and a disinfection of the seats is done regularly.

We regularly disinfect cabins, showers and changing rooms throughout the day.

Water is monitored several times a day and chlorine levels can be increased according to recommendations made by the regional health agency.

We limit the number of people simultaneously in the spa, so booking online beforehand is strongly advised.

Respect for social distances must be respected.

Different experiences are limited in number of people simultaneously in the same place (ex sauna people from the same household)

During massages, the wearing of the mask is mandatory for spa practitioners as well as

guests.

Some treatments may be temporarily suspended depending on announced government guidelines such as facials or massages of more than 50 minutes.

The refusal to wear the mask will result from a cancellation of the treatment.

Anyone with symptoms should report it and may be denied access to the spa.

In case of contact with infected people either from the establishment to the customers and vice versa. Everyone has to quickly inform those present in order to limit the spread of the virus.

All these measures can evolve according to the recommendations of the health authorities. At all times, management gives itself the right to close certain experiments to ensure the good of all.

Mechanical Music Museum

The museum doubled its exhibition space in 2013 and the scenography was completely revisited in 2017 and new pieces are on display this year. Come (re)discover the rooms of the museum of mechanical music !
